YARD WASTE 2016-2017: Only one proposal came in for Yard Waste for 2016-2017. Leising Excavating asked to renew their contract for an additional year at the same price of \$6,000.00. Leising Excavating has all the required composting permits. Joyce Brindley made a motion to accept Leising Excavating's proposal and Darren Covington seconded and the motion carried.

OLD BUSINESS: At our previous board meeting a location that was once American Lifts was discussed for purchase. After touring the facility, the board has decided that this location is not the right fit for the Solid Waste District. Darren Covington stated that at this time the board will not pursue this location or actively work on looking for another location. However, the board asks that everyone keep their eyes open for other possibilities for the future.

Dan Manus let the board know that he has received 2 pricing options for carts for the trash and possible recycling route for the City of Greensburg. Rehrig Pacific came in at \$207,660 for 4,000 carts and Best Equipment came in at approximately

\$215,000.00 for 4,000 carts. Mayor Manus is still working on getting a third quote as well as talking with the City Council to get this project moving forward due to safety and pollution issues the city has been facing.

ADJOURN: Next board meeting August 30, 2016. Motion was made by Darren Covington to adjourn the meeting.

Motion was seconded by Jerome Buening and the motion carried.
