About DCSWMD

WHO WE ARE: The Decatur County Solid Waste Management District offers recycling to the residents of Decatur County. We are under the supervision of a board of directors made up of 7 local elected officials. The Decatur County Solid Waste office is located at the Decatur County Sheriff Department and is Directed by Brittani Saunders.

OUR MISSION: The Decatur County Solid Waste Management District exists to promote and practice environmental longevity throughout Decatur County. Our efforts focus upon preserving and improving our environment, natural resources, and public health and safety. This is accomplished through recycling, community education, and reducing the amount of materials that enter our landfills. Together we can work at protecting our earth and our loved ones for years to come.
